Single bowl under mount

Signature Series

If you are using this sink as a prep sink, why not make it a REAL prep sink?

We can even make a wooden cutting board that will fit over the entire top (with a half circle hole to lift) so you can cover the sink and use it for serving! Just ask!

18" Overall, 16" inside

Bowl Depth 7"

Options:

Recommended Grid Size: 10" by 17 1/4"

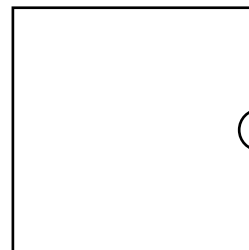

Recommended Cutting board size: 12" by 17 1/4"

Recommended Wood board to cover sink: 15 7/8" by 15 7/8"

Material: Copper - weathered self healing interiors
Zero radius sinks

We anticipate that you will review these drawings, as we will be responsible for building a sink to these specifications. If you are not qualified to read these plans, we assume you will have them reviewed by a qualified person.
