

*Signature Series*

If you are using this sink as a prep sink, why not make it a REAL prep sink?

We can even make a wooden cutting board that will fit over the entire top (with a half circle hole to lift) so you can cover the sink and use it for serving! Just ask!

Zero radius sinks

We anticipate that you will review these drawings, as we will be responsible for building a sink to these specifications. If you are not qualified to read these plans, we assume you will have them reviewed by a qualified person before signing off on these drawings.

Options:

- Recommended Grid Size: 12" by 17 1/4"
- Recommended Cutting board size: 12" by 17 1/4"
- Recommended Board size to cover top: 21 3/4" by 17 1/4"
